Serial No.: 09/843,787

PATENT

REMARKS

The Applicant respectfully requests entry of the claim amendments prior to issuance of the application. In this amendment, Applicant has amended claims 2 – 14 to resolve antecedent basis issues raised by the Examiner's amendment. Specifically, the word "system" was added after the word "database" in the preambles of claims 2 – 14. These amendments correspond to the Examiner's amendment of claim 1. No new subject matter has been added with these amendments.

CONCLUSION

Applicant respectfully submits that the pending claims are in condition for allowance.

DEPOSIT ACCOUNT

In the event that any additional fees is necessary for the entry of this paper, please charge such fees or credit to our Deposit Account No. 06-0029.

Respectfully submitted,
